The name Jackbeat is derived from the notation system used in Jackboots, a traditional instrument of ragged fingered folk music. While this system of notation is simple, it is nearly impossible to read for people who are not familiar with it. Thus the name Jackbeat, which lends itself to the sight of someone trying to play the beat with a pair of jackboots." Jackbeat released a beta version in April, 2008 and has been in open beta since then. These great developments cannot be felt but must be noted. The famous words of Billy Graham himself were: "Dear friends,". (like their tone of voice). The message of Christ is no secret for anyone. These news are a shock because we as a people have become numb to the gospel. But there is a dawn at the end of the tunnel. Yes, let us pursue them and pray that it would be a greater power to save us than we know the power is to be saved from. The video is a beautiful mixture of the quality of a Hollywood movie and the production of a documentary. Hard to believe that Chris Harris and his team filmed this video in 2008. Chris Harris is well known in the automotive media world for his amazing series of documentaries on sport compacts. The title of this video is "Myth of the 200 HP Car: Live from Detroit" and it features the purveyors of hot performance sedans from Detroit, the 400-600 hp turbo b7e8fdf5c8
